Membership in Organizations: Voting Member of Technical Activities Committee for
The Masonry Society. Voting Member of the Standards Development Committee for The
Masonry Society. Member of Structural Engineers Association of California, and Structural
Engineering Institute, and the Architectural Engineering Institute and the International Code
Council. Voting member on the Morro Bay / Los Osos Girls Softball League.
Please explain why you would like to serve (attach a separate sheet if necessary): Quite simply, I would like to see a solution a plant built and in operation as soon as
possible. I don't care who did what to whom, what started when, or any other
accusatory stance. Let's look at the facts and enact a solution. There is no solution that
will appease everyone, but we can tell everyone why a direction is chosen.
I follow the progress by watching the meetings and occasionally I address the board
when appropriate. Thus, the people of Los Osos are familiar with who I am.
As a structural engineer with experience in Los Angeles, I have expertise in multi-million
dollar projects and I understand the nuances that of such projects.
